| | 15,268 | 1,552,580 |

Electronic/Computer (Scrap) Recycling 01/01/2016 -12/30/2016

These items are non-working or deemed to have little or no re-sale value. They are sent to a Electronic Recycler for processing...this process assures that the sensitive data on all storage devices is destroyed and guarantees environmental compliance with 100% recycling of processed materials

| Terrapin Trader E-Scrap | |
|-------------------------|--------|
| #skids | 126 |
| Approx. weight | 88,200 |

CRT Recycling 01/01/2016 - 12/30/2016

CRT's are broken out of E-Scrap total due to charge for recycling...

| | |
|----------------------|--------|
| CRT Recycling Weight | 13,627 |
|----------------------|--------|

Landfill Diversion 01/01/2016 - 12/30/2016

These items are non-electronic, non-hazardous (such as furniture, wood, plastic, cardboard & metal parts) things that are deemed trash and would normally be sent to the landfill. They are now placed into a 53" trailer and sent to our recycler.

| | |
|--------------------|---------|
| Number of Trailers | 33 |
| Total weight | 291,102 |

| | |
|----------------------------|------------------|
| Total weight (lbs.) | 1,945,509 |
| Total weight (tons) | 869 |
